SUPPLEMENT

ORIGIN
25X1X6

1. At the end of September 1946, a group of high-ranking Soviet naval officers inspected the workshops suitable for the production of submarine weapons at the firm of Schaeffer & Budenberg GmbH, Magdeburg-Buckau. Instructions were given to the company that the departments concerned were to be put into working order within two weeks.
2. The firm's war-time output of underwater fighting equipment covered torpedo propulsion units and lead caps for mines.
